

Registration Guidelines

- Participants are expected to have their SF IDs(e.g. SF1024) generated
 - If a participant doesn't have their SF IDs then they can get one by registering on **sf.iitkgp.ernet.in** either through their mobiles or at the registration tent
- Participants are expected to pay their registration fees online at the **REGISTRATION TENT**
 - If a person had already paid, then they need to get their payment verified at the **FINANCE TENT**
 - If a person has **online money** (debit card, net banking) then they need to log onto **sf.iitkgp.ernet.in** from the **REGISTRATION TENT** and pay fee from there.
 - If a person doesn't have online money, then they need to go to **MOBIKWIK TENT** and get their wallet filled by depositing cash over there and then move on for paying online from the registration tent.
 - **NOTE:** At least one member of the contingent is expected to have MOBIKWIK wallet with their registered email id and mobile number on Spring Fest website
- After the payment is completed, participants are expected to fill the **REGISTRATION FORM**(back side of this flyer) and the one who did the transaction is to be present for the verification of payment and get the SF merchandise of the team by producing the proof of payment.
 - PROOF of PAYMENT:
 - Transaction Success Message from AM-MOBIKW
 - E-Mail from MOBIKWIK
 - In the absence of both, the paying person is expected to produce their College ID card and active mobile number for the registered account
